

## SCM-BR-HT

### High-Voltage Line Bird Repellent Hanging Plate

---

#### MATERIAL

**Main Body:** Durable Plastic  
**Reflective Surface:** 3M Reflective Film

#### COMPONENTS

**Nylon Clip:** Ensures secure attachment to high-voltage lines.  
**Stainless Steel Swivel Ring:** Allows 360-degree rotation for dynamic reflection.  
**PVC Reflective Plate:** Enhances visibility with high-reflectivity design.

#### FEATURES

**Rotating Reflective Design:** Effectively repels birds through motion and light reflection.  
**Weather-Resistant:** Suitable for outdoor use in various climates.  
**Lightweight & Durable:** Optimized for long-term performance on high-voltage lines.

#### SPECIFICATIONS

**Dimensions:** 32x14x5 cm  
**Weight (g):** 100g

#### APPLICATION:

**Primary Use:** Bird repellent for high-voltage power lines.  
**Compatibility:** Designed for installation on standard high-voltage line infrastructure.
